

Small Business & Nonprofit Program

Do you own or manage a warehouse? Save money on energy efficiency upgrades with Con Edison incentives!

Lower costs while maximizing comfort for your employees and customers, and protecting valued goods, by making energy-efficient upgrades to your building systems.

Con Edison will **cover up to 70% of the cost to upgrade** your building envelope, HVAC system, and more. If your warehouse is located in an **eligible Queens neighborhood**, you may qualify for **bonus incentives that cover up to 100%** of eligible upgrades. **Financing support** is also available to make improvements even more accessible.

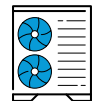

You'll Be Able To:

- Save on upfront installation costs & reduce energy use
- Be the eco-conscious leader your customers want to return to
- Make every shift more comfortable, efficient, and productive
- Stay in compliance with NYC Local Laws

Incentives Available For:

Heat Pump

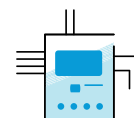

Heating, Cooling, Ventilation (HVAC)

Building Envelope

Hot Water System

Energy Management System

Refrigeration

Learn how Morris Moving & Storage saves more than \$10K annually by insulating their building!

How It Works

1. **Select a Participating Contractor from our list** to install the upgrades you want, or have your contractor apply to participate.
2. **The contractor visits your facility**, provides a quote for the work, and estimates how much Con Edison will cover. You decide if and when the work gets completed.
3. **The contractor completes the application and performs the work.** Con Edison pays up to 70% of the cost directly to the contractor and you pay the difference. No waiting for rebates.

How We Can Help Make Your Warehouse More Efficient

HVAC

- Heat Pump
- Variable Refrigerant Flows
- Electronically Communicated Motors
- Variable Frequency Drive
- Infrared Unit Heater Replacement

Windows & Façade

- Window Replacement
- Insulation Panels
- Wall and Roof Insulation
